

Welcome to the main event.

Wodify Live is the seamless event management solution that makes organizing, ticket selling, and promoting more fun. It's easy, it's affordable and best of all, the fast, integrated setup means registration for your event can begin in no time.

- **Hassle-free event creation**

Build your events quickly with our step-by-step process that covers everything you need, including ticketing, payments, promotions and more.

- **Affordable pricing**

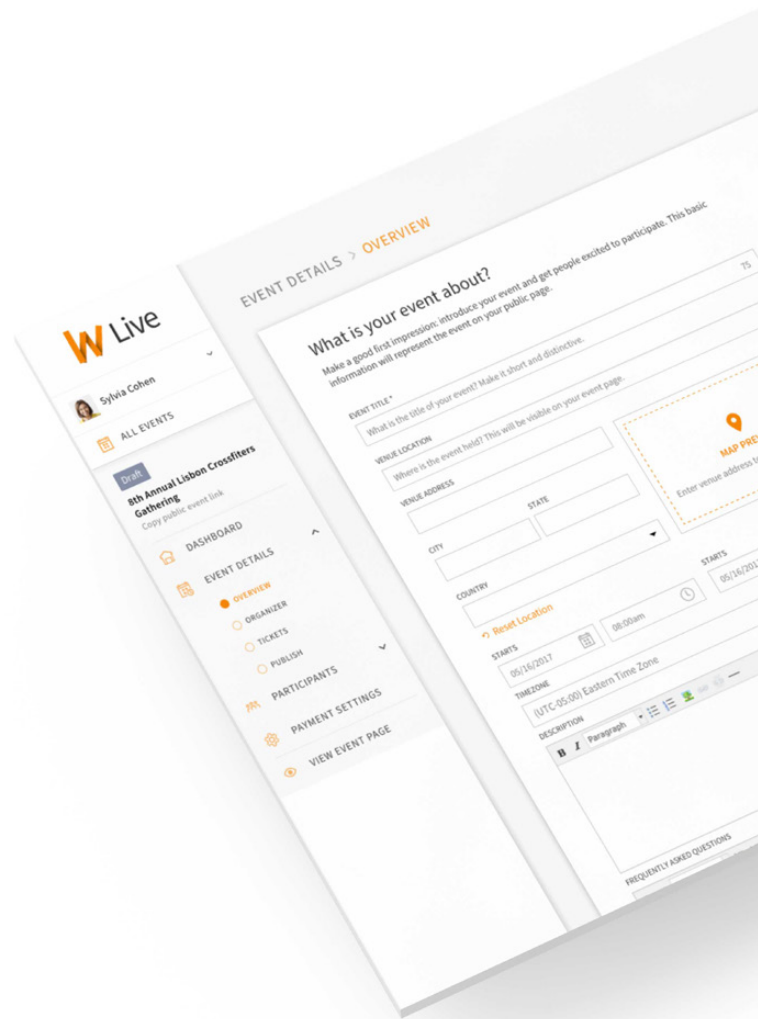

Wodify Live is free to use for all free events. For paid events, organizers can pass along any costs to ticket buyers.

- **Safe, organized planning**

Hosting an event with Wodify Live is totally paperless and totally secure. That means fundraisers, seminars and more are always stress-free.

- **Widespread promotion**

Every event gets a unique webpage and URL, so you can easily lead people right to your door.
